SCIENTIFIC COLLECTING ANNUAL REPORT

Report for License Year:

According to Code of Iowa 481A.65 the Holder of a Scientific Collector's license shall, by January 31 of each year, file with the department a report showing all specimens by him collected or possessed under authority of the license or permit. Such license may be revoked at any time for cause.

(Use additional sheets if necessary.)

Reports may be returned electronically to: SCPermits@dnr.iowa.gov

Date	Species	County of Collection	Number Collected	Northing	Easting ¹	Collection Technique	Location Held	Disposition: Mounted, or Study Skin Destroyed DNR Letter of Authorization Attached for Salvaged specimens.

12/2017 cmc DNR Form 542-1370

¹ Location of Collection Threatened and Endangered Species must be reported in UTM (Zone 15)
